

HELP END HUNGER!

OUR MISSION

Going into our 10th year, Families Helping Families Houston has one clear mission and vision: to ensure that all families in our community can gather at the table and share the joys of the holiday season without the stress of food insecurity.

What makes Families Helping Families Houston unique is its hyper-local focus and deeply personal impact. We focus all our efforts on families in our community, by rallying churches, community groups, school districts, charitable organizations and businesses to help our neighbors in need.

10 YEARS OF SERVICE TO THE COMMUNITY

Families Helping Families Houston is a 501(c)(3) nonprofit organization created to provide local families in need with groceries for a week during the Thanksgiving holiday.

Established in November 2013, FHF Houston has delivered groceries to more than 5,000 families. Our growth to date has been steady and consistent, but we are planning for an exponential leap this year and we need your support to make it happen.

As we embark on our 10th year serving our community, our Goal for 2023 is to serve up to 3,000 families – twice as many as last year.

HOW WE DO IT

While Greater Houston has a number of turkey drives during the holidays, Families Helping Families Houston stands apart because we provide a full week's worth of groceries to families in need. Each family receives approximately \$100 worth of groceries, from meat and proteins, to ingredients for traditional holiday side dishes, to everyday staples.

Our dedicated volunteer team leaders work closely with local grocery chains and food distributors to source fresh ingredients at no cost or deep discounts, enabling us to stretch every dollar as far as possible.

Because our team is entirely composed of volunteers, we are able to ensure up to 85% percent of every dollar donated goes toward feeding families in our community.

FHF HAS BEEN RECOGNIZED BY

If three-thousand (3,000) families donate \$100.00 each, we could reach our goal and continue our mission in providing a happy holiday to those going through financial hard times. That add ups about twenty-seven cents (27¢) a day.

Families are carefully preselected by public officials, local law enforcement and school counselors, and chosen prior to the distribution of groceries. Our target recipients are those within our community, specifically families with children in our local school districts.
